Can I come to the University?
Answer these five questions before you come to the University to teach, learn, study or work.

1. Do you have any coronavirus symptoms? *Runny nose, coughing, sneezing, loss of sense of smell/taste, shortness of breath, fever*
   - YES → **STAY AT HOME**
     - Book a test with the Municipal Public Health Service (GGD). Stay at home until you have the results.
     - **Tested positive?**
     - Tested negative and no symptoms for 24 hrs? Go to question 2.
     - Do you have a fever and/or shortness of breath? Your housemates must stay home too.
   - NO → 

2. Does a housemate have corona?
   - YES → **STAY AT HOME**
     - If you develop symptoms: book a test with the GGD
   - NO → 

3. Does a housemate have severe coronavirus symptoms? *E.g. fever or shortness of breath*
   - YES → **STAY AT HOME**
     - Your housemate must book a test with the GGD, as should any other member of the household who develops symptoms.
     - All members of the household must stay at home until your housemate has their test results.
   - NO → 

4. Have you been in close contact with someone who has corona? *Minimum 15 mins., within 1.5m.*
   - YES → **STAY AT HOME**
     - If you develop symptoms: book a test with the GGD.
   - NO → 

5. Have you recently returned from a country with an orange or red travel advisory?
   - YES → **STAY AT HOME**
     - You may not come to the University for 10 days after you return.
     - If you develop symptoms: book a test with the GGD.
   - NO → You are welcome to come to the University!

**You are welcome to come to the University!**
Only come in for scheduled teaching, reserved study spaces or work (with your manager’s permission). Keep to the Campus Protocol, and follow the signs in the buildings.

Talk to your manager/study adviser if you (or a housemate) belong to a high-risk group and are concerned about coming to the campus.

**Work and study at home**
- Staff member? Inform your manager.
- Student? Inform your lecturer and/or study adviser.
- For the quarantine rules, see government.nl. You are welcome back at the University in 10 days’ time.*

**What to do if you test positive**
If you have corona, you and your household must quarantine at home – as do your close contacts. The GGD will provide further information.

We ask our students and staff to notify their study adviser or manager if they test positive for corona. Due to privacy legislation this is not compulsory, but every reported infection will help us keep our university community safe and healthy.

*Latest information*
The rules set by government and the National Institute for Public Health and the Environment (RIVM) change frequently. Always check government.nl and RIVM.nl/en and follow the University’s corona updates.
