What are concrete examples and forms of internationalization in Higher Education?

The background of the image is a dense, multi-colored pattern of small, irregular shapes, resembling a colorful mosaic or a textured surface. The colors transition from deep purple and magenta on the left, through bright orange and yellow in the center, to vibrant blue and teal on the right. A solid black rectangular box is centered over this background, containing the word "INCLUSION" in a bold, white, sans-serif font.

INTERSECTIONALITY

Intersectionality is a lens through which you can see where power comes and collides, where it locks and intersects. It is the acknowledgement that everyone has their own unique experiences of discrimination and privilege.

A person is silhouetted against a vast, starry night sky. The Milky Way galaxy is visible, stretching across the frame with a mix of purple, blue, and yellowish-white stars. The person stands on a dark, rocky ridge, looking up at the stars. The overall scene is dark and atmospheric, with the stars providing the primary light source.

A rustic wooden sign with the words "THANK YOU." painted in bright yellow on a weathered, grey-green corrugated metal wall. The sign is made of two horizontal wooden planks. The background wall is made of vertical corrugated metal sheets, some of which are missing or damaged, revealing the underlying structure. The sign is positioned in the lower middle of the frame, above a dark, textured surface that appears to be a road or pavement. The overall scene is outdoors, with some green grass visible at the bottom edge.

THANK YOU.
