

**Internship as part of GS1 Healthcare
Full-time – Media and Communications
GS1 Global Office - Brussels, Belgium**

GS1 is a neutral, not-for-profit organisation that develops and maintains standards that improve the efficiency, safety and visibility of supply chains across physical and digital channels in 25 industry sectors. Our organisation comprises local Member Organisations in 112 countries, with 1.5 million user companies and a Global Office located in Brussels and Princeton, New Jersey.

GS1 Healthcare is a voluntary, global User Group leading the healthcare sector to the successful development and implementation of global standards by bringing together experts in healthcare to enhance patient safety and supply chain efficiencies. GS1 Healthcare members include more than 100 leading healthcare organisations worldwide. More information about GS1 Healthcare can be found at www.gs1.org/healthcare.

We are looking for a full-time intern to join our 12-member global healthcare team, based in the Blue Tower on Avenue Louise, Brussels, and support GS1 Healthcare for a period of six months.

Your responsibilities will be to work on projects and deliverables relevant to the work of GS1 Healthcare globally. Your tasks may include research, writing, editing and digital marketing as well as supporting the organisation of global events.

Candidate requirements

- A university student/have a university degree in Media & Communications;
- Must be legally able to work in Belgium;
- Must have interest to complete projects and deliverables relating to web content and other varied marketing & communications topics;
- Mandatory fluency in spoken and written English (C2 level);
- Mandatory computer literacy: MS Office, plus commonly used marketing-related tools;
- An interest in Healthcare would be an advantage.

Personal characteristics

- Pro-active self-starter with willingness to use their own initiative;
- Detail-orientated, and organised;
- Someone who takes ownership of tasks and enjoys working in an international environment;
- A team player open to helping wherever needed (e.g. support the team when we organise an event, etc.).

You will gain

- The ability to deliver projects that put your skills into practice;
- Exposure to other marketing peers who are leading communication activities for a global organisation;
- The opportunity to be part of a high performing, engaged and open, multi-national team working to help improve patient safety globally.
