BEYOND BORDERS

WORK FROM HOME - INTERNATIONAL INTERNSHIP PROGRAMME

Did you always dream of working abroad, but didn't take the plunge due to visa restrictions, bureaucratic paperwork and mounting costs of travelling and living abroad? Don't worry. We now bring you an internship programme that enables you to work with our multicultural teams in India from the comfort of your own home/city. Give your career the international boost it needs in this post-covid era by interning with India's premier university Symbiosis International (Deemed University) SIU.

WHO WE ARE

Symbiosis Centre for European Studies (SCES) is a multidisciplinary support department within Symbiosis Centre for International Education (SCIE), Symbiosis International Deemed University (SIU) that was launched in January 2019 by the Hon'ble Prime Minister of the Czech Republic, HE Mr. Andrej Babiš.

SCES liaises with Symbiosis institutes which have been offering academic programmes for the past 50 years. SCES lays emphasis on facilitating people-to-people and institute-to-institute connections with Europe, bringing the best of scholarly expertise to India, and encouraging Symbiosis students, faculty and staff mobility to Europe for research projects and learning through partnerships. SCES is envisioned to be an umbrella support system for all academic/scholarly/generic activities with European nations/institutes.

ABOUT THE PROGRAMME

We invite applications from students in the areas of Digital Marketing, Research, Training & Consultancy to enable SCES in facilitating more meaningful, research-based, strategic partnerships and projects with European counterparts.

ELIGIBILITY

The internship programme is applicable for students enrolled in bachelor or master degree programmes in a recognized university/higher education institution outside India. The internships are multidisciplinary, however a know-how of basic online/digital technology is a must for any position!
