Faculty of Humanities Exchange Partner Universities for BAIS students – Ctrl+Click on the name of the university for the details

*There are likely no English-language courses at this university. A high level of relevant language proficiency is required. Some may offer language programmes. See universities’ websites for more details. The number of English-language courses at universities not marked * varies per institution. ** Agreement with this university might change

Keep in mind that some universities, while not located in your region of specialization, may offer courses about that region (look at the courses available at universities in Australia, Canada, etc.)
