

Feedback form Education Committee Theology and Religious Studies

As education committee, it is our job to safeguard and, where necessary, improve the quality of the program. In this process, the voice of the student plays an important part. This form offers you a chance to let your opinions be heard. So if you have a remark about a course, a lecturer, or some other related subject, please fill in the following boxes.

Important: Anonymity is an option, but we strongly recommend doing so only when deemed necessary, because this severely limits our options for specific feedback. If you nevertheless choose to remain anonymous, you can also speak to the student members of the committee to find out what the outcome of our discussion is.

Nature of the remark (e.g. which course, lecturer):
