

Important notices:

You are advised to register for courses by (a) using class numbers and (b) using the website instead of the uSis app (the app does not indicate which groups are NL or IBP)

1. You are allowed to enrol in maximum of 40 EC per semester. If you surpass this amount without Study Adviser permission, your registration will be annulled for all courses.
2. MVDA workgroups on Wednesday are reserved for and restricted to IPS/IBV participants in block 4.
3. In Block 4 there are a number of compulsory vacation days. This affects the meeting schedules of MVDA work groups which meet on Thursday and Friday.
4. Enrolment for courses with prerequisites is only possible when these prerequisites have been completed and registered in uSis.
