Semester II

Required Core Courses

Year 2
Psychology: International Bachelor in Psychology (IBP), 2018-2019

This is the e-Prospectus for the International Bachelor in Psychology (IBP)

Ga naar de e-Studiegids voor de Nederlandstalige bacheloropleiding Psychologie 2018-2019

Bachelor programme
The bachelor programme is a three-year programme. In the first year you will be provided with a summary of psychology and all its (sub)disciplines. In the first part of the second year, the knowledge and skills of a psychologist are the focus of attention. In the second part, and the third year, you will study areas within and outside of psychology based on your individual preferences. The bachelor programme will prepare you for the master programme. You will complete the bachelor programme with a bachelor project.

Enrolling for bachelor’s courses and exams via uSis
• First year students are automatically enrolled in the courses of the propaedeutic year. You need to enrol for exams via uSis.
• Second and third year students need to enrol in lectures, work groups and exams via uSis.

Registering for courses is only possible during registration periods

Perspective on Career Planning (POCP)

Semester II will focus on....

“What does the future work field expect from me?” This module addresses the professional and ethical conduct of the psychologist.

✓ The SSC will register you in Semester II, POCP lectures and WG in December.
✓ Your meeting times may be different than in Semester I. Check uSis weekly calendar.
Interpersonal Professional Skills

- 5 ec + very intensive. VERY strict compulsory attendance policy for lectures and WG!

- Offered twice in Semester II:
  - 50% spots available in Block 3
  - 50% spots available in Block 4

- Taught on Thursdays and Fridays (unless holidays) (1.5 days of classes: all sessions compulsory attendance!)
Year 2, Semester II required course

Multivariate Data Analysis

Entry requirement:

- *Introduction to Research Methods and Statistics*
- *Inferential Statistics* (*Grade in uSis before Block 4 registration deadline*)

- MvDA is offered in Block 4 and is, in turn, the entry requirement for the *Bachelor Project*.

- Pass MvDA this year, or you will cause a 6 month delay in your programme (i.e. you can only do the Bachelor Project in your 4th year, Sem. 1; start master in Feb.)

- If you take IPS in Block 4 you have to register for MvDA WG on Wednesdays!

More information: [Minor](#)
Electives: Minor - 30 ec on one theme

For a minor keep in mind....

- Check the language in which they are taught?
- Are they offered in one semester? Or during academic year?
- Usually 30ec; some half-minors exist too.
- RULE: avoid content overlap with IBP courses; no credits for course content overlap.
- How and when you should register? Registration begins at 00:00 on May 1! Some minors fill very quickly!!
- Inform the SSC that you are doing the minor!
Electives: Study Abroad

- Carefully read the [Study Abroad webpages](#) (General AND Psy tabs)
- Check the websites of the universities
- Decide *where* you want to go
- Decide *when* in 3rd year you want to go
- Decide on the courses you want to take / plan correct credit total
- Start to plan early: in your 2nd year ! / Look into scholarships and other practical issues
- Coordinator: Florine Weekenstroo ([exchangepsy@fsw.leidenuniv.nl](mailto:exchangepsy@fsw.leidenuniv.nl))
- Deadlines:
  - Dec 1st 2018 for study outside of Europe
  - Feb 15th 2019 for study inside of Europe
Semester II of Year 2: Study Plan

Step 1:
Plan around 30 - 35 ec per Semester. (Your Adviser ‘s permission is required for more than 40 ec in Semester)

Step 2:
Discuss your plan with your Mentor (in December meetings)

Step 3:
Register on-time and correctly for 2nd semester courses.

Step 4:
The registrations in uSis (Study Plans) of students who earned 45-55 ec in Year 1 and/or have Personal Circumstances will be reviewed by Florine and Jennifer.

- If other students want feedback, please ask!

Year 1 and 2 required courses
Psychology: International Bachelor in Psychology (IBP), 2018-2019

This is the e-Prospectus for the International Bachelor in Psychology (IBP)

Ga naar de e-Studiegids voor de Nederlandstalige bacheloropleiding Psychologie 2018-2019

Bachelor programme
The bachelor programme is a three-year programme. In the first year you will be provided with a summary of psychology and all its (sub)disciplines. In the first part of the second year, the knowledge and skills of a psychologist are the focus of attention. In the second part, and the third year, you will study areas within and outside of psychology based on your individual preferences. The bachelor programme will prepare you for the master programme. You will complete the bachelor programme with a bachelor project.

Enrolling for bachelor’s courses and exams via uSis
- First year students are automatically enrolled in the courses of the propaedeutic year. You need to enrol for exams via uSis.
- Second and third year students need to enrol in lectures, work groups and exams via uSis.

Registering for courses is only possible during registration periods
