- Religion and philosophy

Interest Only and Contractual Enrollment

Exchange and Study Abroad Students

Honours Academy
Minor

- A set programme from another programme: 30 ec

- Registration dates **May 1st** – **August 15th** for most

- Some minors fill **VERY** quickly!

- 50 minors are offered in English

**Information:**

[http://www.education.leiden.edu/education/nieuw-minoren.html](http://www.education.leiden.edu/education/nieuw-minoren.html)
Study Abroad

- Allowed in Year Three; deadline for next year is already passed. Study Abroad in Year 4 is allowed

- Good planning required

- Will influence when you do Bachelor Project

Bachelor Project (2017-18)

✓ All first year courses and MvDA must be complete and listed in uSis to be able to enrol!!

✓ 15 ec, Semester long. Offered in both Semester I and II

✓ Registration process is separate from ‘normal’ course registration. Detailed emailed information to follow.

✓ Semester I spots are limited (study abroad, degree completion, planning issue). Adviser needs to put you on list. MvDA must be passed to be added to list.
You must request degree completion

- Information available on website and in an email sent 2x each year
- Two graduation ceremonies per year; typically in August and March
Tip: Programme Regulations

See the Course and Examination Regulations (OER)

For information about:
- Entry Requirements
- Degree Requirements
- Graduating with Honours

Strict Rule

Bachelor completion and then Master’s programme

Only one master’s specialisation is possible!
Research Master (2 years)
Start: September 1 and February 1

- Clinical and Health Psychology (research)
- Cognitive Neuroscience (research)
- Developmental Psychology (research)
- Social and Organisational Psychology (research)

There is a selection process. Student must have relevant specialisation courses; good grades and be highly motivated to be considered. See http://en.mastersinleiden.nl/programmes/psychology-research/en/introduction for details.
Start researching the options now.
You need to think about:

- Application process and deadlines
- Prerequisite courses needed
- Post - Master education requirements
Registration (regular courses)
Semester I of 2017-18 academic year

- Will take place July 10 - August 25, 2017 in uSis
- Maximum 40 ec per semester (or Adviser permission)
- Advisor permission needed to do Bachelor Project in Semester I (MvDA complete!)
- Make sure to use the IBP Work Group codes!!
- Electives outside of psychology:
  - Always request permission in uSis first.
