Electives: outside of Psychology

- Bachelor’s programmes
- Master’s programmes
- Pre-Master and Minors
- Elective Choices
  - The complete set of elective choices for students of the University of Leiden can be found via the interest areas presented here. Please note that not all programmes offer courses available to elective choices, and that not all these courses can be chosen freely.
  - Note for Study Abroad and Exchange students: Study Abroad and exchange students need to apply for the Study Abroad in Leiden programme.
  - Optional courses: Art, culture, and history, Behaviour and Society, Communication and education, Cultural studies, Economics and companies, Health, Languages, Law and government, Natural and computer sciences, Religion and philosophy.
- Interest Only and Contractual Enrollment
- Exchange and Study Abroad Students
- Honours Academy

- See e-Prospectus and check entry requirements
- Check for content overlap
- Request permission in uSis before registration
- Registration dates may differ
- You may need help of Faculty offering courses to register
Electives: Minor at Leiden University

- A set programme from another study: 30 ec offered over a semester or academic year

- Registration dates May 1st (at 13:00 hrs) – August 1 for most

- Some minors fill VERY quickly!

- You must inform SSC you are doing minor

- 50 minors are offered in English

Information: [https://www.student.universiteitleiden.nl/en/study--studying/study/educational-information/minors](https://www.student.universiteitleiden.nl/en/study--studying/study/educational-information/minors)
Electives: at another Dutch University

- Only possible if not offered at Leiden University
- Electives or a minor: file petition in uSis before registration
- Check requirements, registration process and deadlines well in advance!
Electives: Study Abroad

- Year Three: deadline for next year is already passed.

- Have your courses approved by exchange coordinator before departure:
  

- Will influence when you do Bachelor Project

- Study Abroad in Year 4? If 180 EC completed you need permission from Board of Examiners
Bachelor Project (2019-20)

- **All** first year courses and MvDA must be complete and listed in uSis to be able to enrol!

- Offered in both Semester I and II

- Registration process is separate to ‘normal’ course registration. Detailed information to follow by email.

- Semester I spots are limited. Adviser needs to put you on the tentative list by **May 15**th. MvDA must be passed to be added to final approved list.
Degree almost complete?

You must request degree completion

- Information available on website and in an email sent 2x each year
- Two graduation ceremonies per year; typically in August and March

See the **Course and Examination Regulations (OER)**

*For information about:*

- Entry Requirements
- Degree Requirements
- Graduating with Honours

Master programme: Strict Rule

Bachelor completion and then Master’s programme
## Master (1 year)

NB: Only one master’s specialisation is possible!
Research Master (2 years)

- Clinical and Health Psychology (research)
- Cognitive Neuroscience (research)
- Developmental Psychology (research)
- Social and Organisational Psychology (research)

- **Start:** September 1 and February 1
- **Selection process:** To be considered student must have:
  - passed relevant specialisation courses;
  - good grades;
  - be highly motivated.

Master’s somewhere else?

Start researching the options now!
You need to think about:

- Application process and deadlines
- Pre-requisite courses needed
- Post-Master education requirements
Registration (regular courses)
Semester I of 2019-20 academic year

- Will take place **July 8 - August 25, 2019** in uSis

- Maximum 40 ec per semester (or Adviser permission)

- Electives *outside* of psychology?
  - Always request permission in uSis **first**
Don’t forget to register as a student in Studielink for the 2019-20 academic year!

- You need to do this if you study here in Leiden or at another university as part of an exchange programme.
