You will receive an invoice for payment of the tuition fee. The tuition fee is paid annually; it is not possible to pay for more than one academic year (September - August).

Your registration will terminate on 31 August. The registration will not be terminated automatically during the academic year. If you expect to graduate and submit a request for restitution of part of the tuition fees paid, you should send in the 'request to terminate the registration and restitution form'. See <http://media.leidenuniv.nl/legacy/termination-of-registration-form-edited.pdf>

The information given to Leiden University (and the DUO) will be entered in the 'student registration and study progress system'.  
If you have no objections, your details will be passed on to the 'address list' and to the university website.

If you hold a 'student' residence permit and fail to obtain sufficient study results your details will be forwarded to IND.
